

## What is it?

PACER (Public Access to Court Electronic Records) enables you to retrieve up-to-date case information on all active and recently closed cases from your personal computer 24 hours a day, 7 days a week.

## How do I access it?

You have two options for accessing PACER - via the world wide web or via a dial-in modem.

## What equipment do I need?

For web-based access all you need is a computer with Internet access. To access via a dial-in modem you need a computer with VT100 terminal emulation software and a modem (9600 baud or higher).

## How much does it cost?

Subscribing to PACER is *free*. Web-based users are billed at a rate of \$.07 per printed page. Dial-in users are billed at a rate of \$.60 a minute.

## How am I billed?

The PACER Service Center will bill you on a quarterly basis.

## What type of information is available?

Information available includes:

### *P Case Summaries*

Case number, debtors, attorneys, and judge.

### *P Docket Sheets*

Detailed docket entries with file and entry dates and document numbers.

### *P Claims Register*

Listing of filed Proofs of Claims including claim number and amounts.

### *P Creditor Matrix*

Listing of creditors names and addresses.

### *P New Debtor Listing*

Listing of cases filed on a particular date including case numbers, debtor names, and other information.

## Does PACER provide any other services?

Federal Courts across the nation are a part of the PACER system. This enables you to get case information from virtually any active or recently closed case in a Appellate, District or Bankruptcy Court.

The PACER Service Center also maintains a free bulletin board for registered users. Information is available on-line such as:

P a list of participating courts

P phone numbers

P settings

P copies of billing statements

P and much much more!

Miscellaneous information on PACER is regularly updated to ensure it meets the needs of its users.
